Washington, Feb. 18.—By direction of President Roosevelt no cabinet meeting was held today. Three members of the cabinet have gone to Cleveland to attend the funeral of Senator Hama and Attorney General Knox is in the south. The president concluded that it would be a fitting tribute to the senator's memory not to hold the meeting today.

La Crosse Man a Full Fledged Candidate for Treasurer.

May Be the Only Opponent Against Kelly.

Lyons, Kas., Feb. 19.—The Republican county convention in Rice county has been called to meet on March 1, with primaries to be held on February 71. There seems to be a very strong sentiment here against the renomination of Mr. Kelly as state treasurer. He has few-friends in Rice county. It is expected that the county convention will instruct the delegates to the convention at Wichita to vote against Kelly. Kelly.

Winfield, Kas., Feb. 19 .- W. P. Hackney has won an overwhelming victory in Cowley county over E. P. Greer, the leader of the Burton and "anti-machine" forces. Greer was the anti-

against Kelly for state treasurer and have lined for Grass as a home man. The LaCrosse Republican endorses him strongly for the place and he will go into the state convention with a strong backing whether he is successful in defeating Kelly or not.

Cured Nomination.

It is the general opinion among the politicians that Congressman Bowersock is serving his last term in congress. There is very little dissent from the opinion that he is practically out of the running in the race for the Second district nomination. The only county

he (Wilson) had nothing whatever to do with Berry's death.

Senator Hessin also said that the teasimony at no place showed that there are was a conspiracy on the part of the Deweys to kill Berry and that therefore Wilson did not aid or abet in the homicide. He quoted several authorities to sustain his position, and argued that as Wilson and the others, according to the evidence, went to the Berry ranch for a lawful purpose, to get the tank which they had purchased the day before, and at the invitation of the Berrys. Wilson was in no way responsible for the acts of his comrades in

It is said that the Elk county Republicans are extremely wrathy over the procedure and many of them declare they will not vote for Fitzpatrick at the election. Chautauqua county has already had the senator eight years and if Fitzpatrick is re-elected it will make four years more. The Elk county contingent alleges that Fitzpatrick promised four years ago to support an Elk county man this year.

Thus far the base has succeeded in maintaining its communication with Port Arthur. The concentration of troops, the correspondent says, proceeds systematically and provision has been made for the speedy arrival of 12,000 men from the divisions of Moscow, Kieff and Varsovie.
